

## **City of Martindale Grounds Maintenance**

City of Martindale is taking bids for grounds upkeep of city own properties, this will include but not limited to mowing, weed eating, irrigating, trimming trees and bushes. City properties include waste water plant (40 Acres and lift stations), city parks and several lots. Will accepted bids for all or partial (waste water plant separate from city parks and lots). Will need to provide own labor and equipment. A copy of the list of properties can be obtained from the city clerk's office, 409 Main Street, Martindale.

**Contractor is to maintain a current Private Pesticide Applicator License from the Texas Department of Agriculture.**
